## Scouting Highlight

Greyson from Pack 931

Meritorious Action Award Recipient

Greyson was home with his younger brother and his dad when his dad suffered a grand mal seizure. Greyson found his dad seizing and bleeding. Greyson ran through the neighborhood trying to find help and eventually got a neighbor to call 911. He communicated with emergency services about his dad's health status and repeatedly checked on his dad while waiting for an ambulance to arrive. He cared for his younger brother and spoke with police officers. He helped the officers get in touch with his mother who was out of the country. His bravery and quick thinking kept his dad, brother and himself safe.
