

July 2026 | Upcoming Events

Happy July, LVAC Scouters!

I'm not sure who else is fired up that our country, this experiment in democracy, is now 250 years old, but I sure am! The celebrations this 4th of July held more meaning than they have in previous years. It was so great to see all the troops and Scouters taking part in festivities around our Council and to know that Scouting has been part of that history for over 100 years.

We've got a contingent of Scouts and Scouters headed off in less than two weeks for Jamboree – a core memory event that happens every four years across the nation. If you want some Jambo swag, check out the trading post – there are patches!

For Troop Scouts: This fall, the National service team will be launching the SPL Summit – a quarterly online event bringing together Senior Patrol Leaders from all over the country with national program leadership to share ideas, provide feedback, and learn about new initiatives.

And have you heard about Wood Badge? It's an advanced, world-class leadership course designed for Scout Leaders, and we're holding our next course **THIS SEPTEMBER!** Sign up soon... spots are limited!

While we're on the subject, for our youth leaders, NYLT (National Youth Leadership Training) is coming up this November. It is transformative training for any scout who meets the requirements.

Enjoy the rest of your summer! – Dee Greene, Council Commissioner

With updated schedules, exciting Cub Scout Adventures, and ready-to-go lesson plans delivered by our paid staff, the program is set for success. Now we need your help spreading the word! Schools can tailor the program to fit their needs, though our recommended format groups Cub Scout ranks by grade level across multiple meeting days.

Together, we can introduce more youth and families to the adventure, character development, and fun of Scouting. For more information or to connect a school with the program, please contact the council service center.
