

June 2026 | Upcoming Events

Happy June, LVAC Scouters!

I hope everyone's summer is off to a great start! June is a really good time to set your date for an Annual Planning Meeting! I usually use the LVAC 18-month calendar as a starting point to figure out which district and council events you want to attend. I highly recommend Scout EXPO in the fall!

We'd love to hear which events your unit is planning to attend. Don't forget the most important events for your unit leaders and parents: monthly roundtable!

Hope to see you at one soon.... and Go Knights Go!!!
Your Council Commissioner,
Dee Greene

Seasonal Scouting

What is Seasonal Scouting you ask?

Seasonal Cub Scouting is a school approved 12-week immersive program designed to deliver the full Cub Scout experience in a condensed, high-impact format. Led by trained staff, youth complete all required and elective Adventures to earn their badge of rank – all in one 12-week season!

The program has recently been expanded to include K-5th grades for Lion, Tiger, Wolf, Bear, Webelos and Arrow of Light.

As this program utilizes fully trained and paid staff, there is no need for volunteer or parental involvement. The program runs immediately after school for 90 minutes. Parents just arrive a little later in the day to pick up their Scout from school. The program for each grade grouping is run one day per week. If you have any questions or just want more information, please contact Tom Tagg.
