

September 2026 | Upcoming Events

Happy September, LVAC Scouters!

I hope everyone is back into the swing of things... school, popcorn, recruiting.... CAMPING! Speaking of camping, has your unit signed up for Scout EXPO yet? It's going to be AMAZING, and early bird sign-ups end September 14th! I can't wait to see what the EXPO committee has come up with this year, getting us all unplugged for a weekend!

And NYLT is coming up in NOVEMBER... so get your troop scouts (First Class, with ILST) signed up now! NYLT is a life-changing event, and one of the best things your youth can do for their troop and for their own development.

Are you monitoring the communication channels of your District? Neon Trails used the BAND App, and Fossil Trails uses DISCORD. It's a vital way to keep in touch with your District's events, ask for help, or get information that happens between Roundtables (which I hope you're all attending!). For instance, you might have heard that Neon Trails is getting the first Sea Scout Ship, in Cadence! This is only the second Ship in our Council, and it's a great way to keep your 14-20 year-old youth moving forward in their leadership and adventure!

Bring on the cooler temps! – Dee Greene, Council Commissioner

Welcome New Families with a New Member Coordinator

August and September bring many new families into Scouting—and joining is only the beginning! New Member Coordinators play one of the most important roles in a unit by welcoming new families, helping them understand Scouting language and traditions, and connecting them to your unit’s culture so they feel like they belong from day one.

The New Member Coordinator is a registered unit position and can be assigned through Organization Manager in my.Scouting.org as part of your unit committee.

Does your unit have a New Member Coordinator? Now is the perfect time to identify someone who can make sure every new family gets a great start in Scouting.
